

# PADLOCK ALARM

Padlock Alarm EL00030

Powerful 110dBs siren

## Introduction

The Padlock Alarm has a powerful 110dBs two tone siren which activates when the lock is tampered with. Provides added security to a conventional padlock acting as a deterrent to would be thieves.

In addition, the unit can also be used without the siren (as a normal padlock).

Weather resistant body makes the padlock ideal for oil tanks, sheds, garages, gates, bikes and toolboxes as well as a wide range of other indoor or outdoor valuables.
