

# **SOLO SECURITY**

# Purse Dipping Bells

Our hugely popular Purse Dipping Bells are a simple, low cost item for keeping valuables secure, whilst also raising awareness on pickpocketing and bag dipping.

The pair of bells hang from a G-clip that can be attached to purses, wallets, bags or other valuable items.

If a thief attempts to remove the item, or if the item is dropped, the bells will jingle and alert the owner.

Research has shown that brightly coloured bag accessories can catch the attention of thieves; our purse bells are finished in a subtle silver colour for maximum protection.

## Features

- Cost-effective awareness solution
- Combats pick-pocketing & bag dipping
- Can be attached to various valuables
- Subtle Silver finish
